Sleep Mastery: The Foundation of Mental Wellness

Breaking the anxiety-sleep cycle with evidence-based tools.

David Glenn, PMHNP-BC

REAL Psychiatric Services

Welcome. I'm so glad you're here.

Sound familiar? Head hits pillow, mind races.

Can't sleep, feel exhausted. On edge all day.

You are not alone

Millions struggle with sleep-anxiety cycle

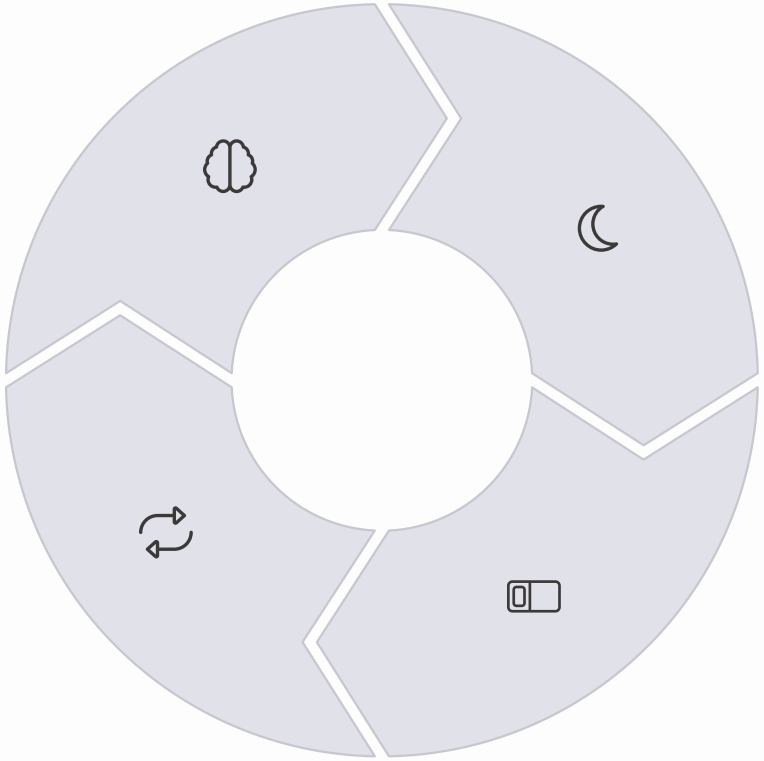
You are not broken

This is a pattern we can change together

The Two-Way Street of Anxiety and Sleep

Anxiety Destroys Sleep

Worries keep nervous system on high alert



Poor Sleep Quality

Fragmented rest, difficulty falling asleep

Poor Sleep Fuels Anxiety

Amygdala becomes hyperactive

The Cycle Continues

Not a personal failing—a neurobiological reality

Becoming a Detective of Your Own Sleep

Vague Feelings

"I'm just a bad sleeper"

Gather Data

Track specific sleep patterns

Gain Clarity

"It took me 60 minutes to fall asleep"

Take Action

Use insights to make targeted changes

Your Toolkit for Clarity

7-Day Sleep Diary

- Bedtime and wake time
- Time to fall asleep
- Number of awakenings
- Daytime energy levels

Pittsburgh Sleep Quality Index

- Evidence-based questionnaire
- Captures monthly sleep quality
- Creates your "before" picture
- Takes only 5 minutes

The Goal

- Spot patterns, not perfection
- Convert feelings to facts
- Create a baseline for improvement

Your Safety is Our Top Priority

Consult doctor if you snore loudly or stop breathing

Possible sleep apnea requires medical attention

Seek help for irresistible urge to move legs

May indicate Restless Legs Syndrome

Address underlying medical conditions first

Chronic pain, epilepsy, bipolar disorder affect sleep

What You've Learned & What's Next

Understand the anxiety-sleep cycle

Recognized the neurobiological connection

Acquired evidence-based tools

Ready to gather objective sleep data

Completed safety check-in

Ensured this approach is right for you

Your Action for This Week

Download Worksheet 1.1

Your Sleep & Anxiety Baseline materials

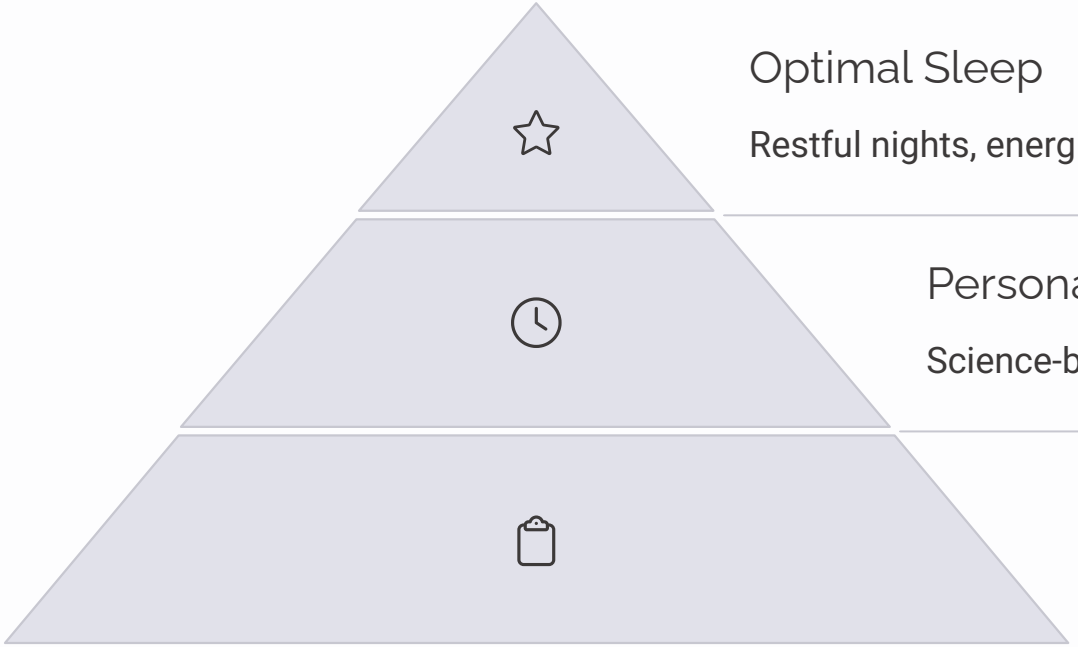
Complete PSQI questionnaire online

Takes approximately 5 minutes

Begin your 7-Day Sleep Diary

Be curious, not judgmental about results

Coming Up Next...



Optimal Sleep

Restful nights, energized days

Personalized Sleep Window

Science-backed schedule for your body

Your Sleep Data

Insights from your sleep diary

Thank You for Being Here

Commitment

Your dedication to better sleep matters

Journey

Progress comes one night at a time

Next Lesson

We'll calculate your personalized sleep window

SAMHSA National Helpline	Call 1-800-662-4357

Seek help immediately for thoughts of self-harm, inability to function, or worsening anxiety.

About David Glenn, PMHNP-BC

David Glenn is not only a board-certified psychiatric nurse practitioner—he's also a dedicated advocate for mental wellness in his community. Dave's clinical expertise spans anxiety disorders, depression, trauma, and holistic approaches to mental health. He is known for his approachable, down-to-earth style and his ability to make complex topics feel understandable and manageable.

Dave founded Real Psychiatric Services to create a safe, welcoming space for people to get the support they deserve—without judgment or barriers. He believes that everyone's story matters, and that healing is possible for all.

"I created this course because I've seen firsthand how understanding anxiety can change lives. My hope is that you'll find practical tools, encouragement, and a sense of community here. You're not alone—and you don't have to do this alone."
